100 years of history.

From the inventor of television to a global, traditional company.

For a century, Loewe has stood for inventive spirit and luxury home cinema experiences. From its founding in 1923 to the invention of the television in 1931, Loewe has developed into a traditional company with worldwide operations and is now active in 45 countries with its high-quality, elegant TV and audio products.

The traditional manufactory and the high-tech production lines in Kronach in Upper Franconia continue to be the heart of the Loewe brand. This is how sustainable high-tech products par excellence are created.

Vision & Values

The epitome of luxury.

Loewe is dedicated to give every product a meaning. A story. A purpose. In dedicated precision work, we want to anchor Loewe as the epitome of luxurious technical products par excellence.

The perfect interplay of technical master-pieces and outstanding design icons is awarded on a regular basis by press and design awards.

Our way to sustainability.

We are committed to producing beautifully designed, highly functional, modern and timeless objects. By selecting the finest, highest-quality materials, Loewe creates sustainable products with careful precision work that impress with energy efficiency, software updates and years of reparability, thus underscoring our sustainability concept.

The Loewe service promise.

For Loewe, service does not end with the purchase: customers can rely on comprehensive service solutions at all times. Our detailed online based FAQ will help you with short questions anytime. Since sustainability is a big part of Loewe's DNA, Loewe's own technical repair shop is able to repair products up to ten years of age - depending on the model and the fault of the unit. A deliberately generous stock of spare parts makes it possible. In addition regular software updates keep Loewe products state-of-the-art technology.

We will be happy to help you.

Authentic 3D audio experience. Dolby Atmos.

The ultimate multiroom sound system for your home is guaranteed by the Loewe soundbar klang bar5 mr with 440 watt of total music power with the klang sub5 subwoofer with 360 watt of total music power and extension options of multiple wireless speakers. This true Loewe all-rounder offers premium cinema sound as well as versatile music streaming with just one device, while the compact, space-saving design blends seamlessly into any room.

The 5.1.2 Dolby Atmos and DTS:X technology ensure a fascinatingly realistic 3D sound experience as in the cinema.

Powerful entertainment. Captivating sound.

Equipped with DTS Play-Fi, Google Chromecast and Apple AirPlay 2, the soundbar and subwoofer are instantly pairable with other devices, which makes it easy to stream music from any source. This as well as the elegant, timeless Loewe look elevate the set to an absolute must-have for music and film enthusiasts. Two up firing plus two side firing speakers guarantee realistic 3D surround sound by reflections from the wall and ceiling. The two left and right center speakers, the harmonic tuned subwoofer with two 6-inch active speakers, four passive radiators and 800 watts of total music power provide additional power and put you in the middle of action.

Loewe **klang bar3 mr**

Powerful sound giant.

Upgrade to a 5.1 system.
Wireless with three centre speakers.

Classic sound enjoyment.
AVR connection function.

Echo-free 3D sound experience.
Best WDAL 2.0 technology.

Audio enjoyment everywhere.
Thanks to multi-room functionality.

Powerful. 3.1 System
Engineered in Germany.

The all-rounder among the soundbars: The powerful 3.1 soundbar Loewe klang bar3 mr shines with an all-round package for almost every area of application. On its own, the device shines with 360 watts of total music power as well as an excellent 3D sound experience thanks to Dolby Atmos. Enjoy immersive, echo and delay-free 360-degree sound with first-class speech intelligibility and voluminous cinema sound, thanks to a forward-facing left, right and centre speaker supported by two integrated subwoofers.

German engineering enables the klang bar3 mr to connect additional front and rear speakers via wireless and latency-free WDAL 2.0 technology (Loewe Wireless Digital Audiolink 2.0). Adding front speakers, the klang bar3 mr then switches the left and right speakers to centre speakers, enabling even better speech intelligibility. Thanks to the AVR connections there is no need for an additional, expensive adapter if older Loewe and thirdbrand active speakers or active amplifiers, which require a cable connection, shall be integrated into the sound system. Do you prefer audio enjoyment in all your rooms? That is no problem with the Loewe klang bar3 mr either. Thanks to the Multiroom function the device couples wirelessly with the Loewe klang mr across different rooms.

The Loewe home.cinema set offers first-class cinema sound and versatile music streaming in one. At the same time, the 5.1.2 Dolby Atmos and DTS:X technology inspire with immersive 3D sound experience with surround speakers - just like in the cinema.This and the elegant, timeless Loewe look make the Loewe home cinema set, consisting of Loewe klang bar5 mr & Loewe subwoofer klang sub5 and four wireless active speakers for multi-channel surround sound, an absolute must-have for music and movie enthusiasts.

Loewe **klang sub1**

Compact powerhouse.
The first subwoofer
with wireless TV connection.

Maximum compatibility.
For almost all TVs.

Wireless sound enjoyment.
Latency-free Bluetooth pairing.

Instant audio enjoyment.
Simplest plug-and-play.

Dynamic and powerful.
Upgrade to a 2.1 system.

Discover a 2.1 audio system with full bass due to 160 watt of total music power for a more dynamic sound. The unique feature of latency-free Bluetooth connection allows you to pair the compact subwoofer with your TV. The result is a perfectly balanced sound experience for maximum listening pleasure without sound delay, annoying buzzing and disturbing wires between the subwoofer and TV.

Due to the simplest plug-and-play installation, the Loewe klang sub1 is immediately ready for use with any Loewe television from the SL3 series onwards – for the ultimate in audio enjoyment. Small size, big performance: thanks to the innovative audio technology inside, the Loewe klang sub1 is only half the size of devices with a conventional subwoofer design. This means that this space-saving powerhouse fits perfectly into smaller living rooms without any kind of vibration. By the way, if you own a non-Loewe TV with a regulated audio output, it is possible to connect the Loewe klang sub1 to it.
